Definitions: Vendor means the Supplier, Subcontractor, Person or any other such entity providing a service, supply or construction. Buyer means Bauer International FZE, Bauer Spezialtiefbau GmbH, Bauer Geotechnical Specialized Foundation where applicable.

1. ACCEPTANCE OF TERMS: Services and Construction furnished by the Vendor shall be subject to and in accordance with this purchase order. Vendor's acceptance of this order shall constitute agreement to be bound by and to comply with all the terms and conditions set forth herein. Written acceptance or the performance of all or any portion of the services or construction covered by this order by the Vendor shall constitute unqualified acceptance of all its terms and conditions. Any additional or different terms and conditions which may appear in any communication from the Vendor or in any printed form of the Vendor are hereby rejected and shall not be effective or binding unless specifically agreed to in writing by Buyer. No such additional or different terms or conditions shall become part of the order despite Buyer's receipt thereof unless Buyer specifically agrees in writing to their inclusion.

2. TIME OF DELIVERY: Time of delivery is of the essence of this order and the order is subject to cancellation or termination for failure to deliver on time. Vendor shall notify Buyer in writing immediately of any actual or potential delay or threat of delay to the timely performance of this Purchase Order, including notice to Vendor of any actual or potential labor dispute which delays or threatens to delay the timely performance of this Purchase Order.

3. PRICE: Buyer shall receive the benefit of any general reduction in Vendor's price prior to delivery. Vendor shall not bill at prices higher than stated in this Purchase Order. Unless otherwise specified, prices and terms are firm for duration of indicated project. Buyer may make deductions for claims arising from this Purchase Order or other transactions with Vendor. Vendor warrants that the price charged for the Service or Construction covered by this Purchase Order is the lowest price charged by the Vendor to other buyers under conditions similar to those specified in this Purchase Order.

4. PAYMENTS: Payments for Services and Construction furnished under this order will be due after the latter of (1) receipt and acceptance of goods or services, (2) receipt of proper billing for such goods or services, (3) receipt of all documents required by the order, and (4) receipt of corresponding payment by Buyer from his employer. Construction: Interim Progress payments may be made against construction purchase orders on a monthly basis according to progress, minus a deduction for retention and advanced payment. First half of retained sum shall be released upon substantial completion of works or services and remainder of retained sum shall be released upon completion of warranty period.

5. QUALITY AND INSPECTION: The Materials supplied hereunder shall be of good quality, free from any faults and defects, in conformance with this Order, and shall at all times be subject to Buyer's inspection before acceptance by Buyer. Neither, however, Buyer's inspection nor failure to inspect shall relieve Vendor of any obligations, representations or warranties hereunder. If the Materials fail to conform to Buyer's specifications or are otherwise defective, Vendor shall promptly replace same at Vendor's sole expense. Any service supplied hereunder shall be of good quality, free from any faults or defects and in conformance with this Order. All services not conforming to these requirements, including substitutions not properly approved and authorized, shall be considered defective and Vendor shall promptly correct such defective services at Vendor's sole expense. No payment for or acceptance of Materials, including services or construction, by Buyer hereunder shall constitute a waiver of any of the foregoing nor shall anything herein contained be construed to exclude or limit any or Vendor's warranties implied by law. Acceptance shall take place only after completion and inspection of all work required by the order or that portion of the work as determined, by Buyer, can be accepted separately. Acceptance shall be final and conclusive except for latent defects, fraud, gross mistakes amounting to fraud, or Buyer's rights under any warranty or guarantee.

6. RIGHT TO INSPECT PLANT AND WORK: Buyer may, at reasonable times, inspect the part of the plant or place of business and work in progress of a Vendor or any lower tier Vendor which is related to the performance of this order.

7. WAIVER: The waiver of any breach of the terms of this order by Buyer shall not constitute a waiver of any of its terms or any subsequent breach, nor shall any payment for goods delivered, services or construction performed constitute such waiver.

8. WARRANTIES: Vendor warrants that all articles, materials, and equipment supplied under this order conform to the specifications of this order, to be of merchantable quality, and to be free from defect in materials and workmanship. Vendor shall honor standard commercial guarantees and warranties offered by the manufacturer, and any other specific warranty or guarantee specified elsewhere in this order. Construction Order: Vendor warrants that all construction work will be free from defects not inherent in the quality required or permitted; and that the Work will conform to the requirements of this Purchase Order. The Vendor agrees to repair or replace, at its expense, workmanship, materials, or other portions of the Work that do not conform to this warranty, within the first year following completion or work.

9. HEALTH AND SAFETY: Vendor acknowledges that it has a primary duty to prevent on the job accidents and to protect the health and safety of its employees. Vendor understands and acknowledges that its Order may entail work at sites that pose potential exposure to hazardous materials and that such work is inherently dangerous. As such, Vendor understands that accidents, bodily injury or property damage could result from human errors in judgment, mistakes, carelessness, forgetfulness, sloppiness, and work performed in haste. It is the duty and responsibility of Vendor to train and supervise all its personnel and activities to prevent such occurrences. Vendor further acknowledges that Buyer bears no duty or legal responsibility to supervise Vendor's personnel. Vendor represents that it has the requisite corporate resources and expertise to perform the service hereunder.

10. LIENS OR CLAIMS: Vendor warrants the equipment, articles and/or materials furnished under the terms of this order are unencumbered and not subject to any lien or claim.

11. ASSIGNMENT: This order, including the right to receive payment of, is not transferable, or otherwise assignable without the express prior written consent of Buyer. Requests for transfer or assignment must be in writing, and in advance. An instrument of assignment is subject to prior claims of persons, firms, and corporations for services or supplies provided in the performance of this order.

12. AUTHORITY: The Buyer Personnel whose name appears on the face of this order has authority to act as agent for Buyer. Vendor is cautioned that instructions contrary to the provisions of this order, which are received from Buyer employees not specifically delegated authority to act in this matter, are not valid or binding on Buyer, and are a violation of Buyer policy and procedures.

13. CHANGES: No modification of any of the terms or conditions of this order, including, but not limited to, delivery, price, quality, quantities, and specifications, will be effective without the prior written consent of Buyer.

14. INDEMNIFICATION: Vendor agrees to hold harmless Buyer, its Board of Directors, officers, agents and employees from, and to defend it against, any and all claims arising from the purchase, installation, and/or use of the equipment, articles and/or materials or services which are furnished by the Vendor under this order. Vendor assumes all risk of damages or injury to Vendor's own employees, property or person acting for or on behalf of Vendor from whatever cause. Nothing herein shall be construed so as to relieve Buyer from liability arising solely as a result of its own gross negligence.

15. TIME OF ESSENCE: Time shall be deemed to be of the essence of this Purchase Order for both parties, and they mutually agree to see to the performance of their respective work and the work of their Vendors so that the work is completed within the time provided to complete the work.

16. FORCE MAJEURE: Vendor or Buyer may delay delivery or acceptance occasioned by causes beyond Vendor's or Buyer's reasonable control. If such delay exists beyond a period of five (5) working days, Buyer, at its own option, shall have the right to: (a) terminate the Purchase Order, in whole or in part, (b) suspend the Purchase Order for the duration of the delaying cause, (c) resume performance under the Purchase Order once the delaying cause ceases, (d) extend the effective dates up to the length of time the contingency endured, all without liability to the Vendor.

17. TERMINATION, DELAYS AND EXCUSED PERFORMANCE: Buyer may, by written notice stating the extent and effective date terminate this order for convenience, in whole or in part, at any time. Buyer shall pay the Vendor as full compensation for performance until such termination: (1) the unit or pro rata price for the delivered and accepted portion; (2) A reasonable amount, as approved by the Buyer Personnel, not otherwise recoverable from other sources by the Vendor with respect to the undelivered, unperformed or unaccepted portion of the order; provided compensation hereunder shall in no event exceed the total order price. Buyer may, by written notice, terminate the order for Vendor's default, in whole or in part, at any time, if the Vendor refuses or fails to comply with the provisions of the order or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time or fails to make delivery or perform within the time specified or any written extension thereof. In such event, the Vendor shall be liable for any and all damages incurred by Buyer including but not limited to cost of inspections, receipt, transportation, care, custody and cover cost. Vendor shall also be liable for any and all consequential damages incurred by Buyer that are related to such breach. If performance is delayed through no fault, and for reasons beyond the reasonable control of the Vendor, an extension of time may be granted for completion. If a delay is determined to have been caused by Buyer, the time for performance, and the price of the order may be subject to adjustment. Vendor shall in any event notify Buyer without delay when Vendor has reason to believe performance will or may be delayed.

18. ROYALTIES, LICENSES, AND PERMITS: Vendor shall pay all royalties and fees to obtain licenses and permits relating to items or services provided in this order.

19. LIABILITY FOR BUYER-FURNISHED PROPERTY: Vendor assumes complete liability for any tools, articles or materials, if any, furnished by Buyer to Vendor in connection with this order. Vendor agrees to pay for all such items so furnished and spoiled by it or not otherwise accounted for to Buyer satisfaction. The furnishing to Vendor of any tools, articles or material in connection with this order shall not unless otherwise expressly provided, be construed to vest title thereto in Vendor.

20. PATENTS AND COPYRIGHTS: Unless otherwise provided in this order, any discovery or invention or copyrightable materials developed in the course of or resulting from work carried on under this order shall be the property of Buyer.

21. CONFIDENTIALITY: Any articles made according to Buyer's design or developed for Buyer at Buyer's direction or any designs supplied by Buyer or copies thereof shall not be furnished to others without Buyer's consent. This Purchase Order is strictly confidential, and any and all publicity or release of any information contained herein or about this project shall be by Buyer only.

22. GOVERNING LAW: The law of this Purchase order shall be the Laws of Abu Dhabi, United Arab Emirates.

23. INSURANCE: All suppliers and Vendors performing services and construction projects for Buyer through a Purchase Order, shall carry insurance as defined by this Purchase Order.

24. DISPUTES: All disputes arising out of or in connection with the present contract shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules. The Venue of Arbitration shall be Abu Dhabi, UAE. This agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon and in accordance with applicable law in any court having jurisdiction thereof
